All numbers are expressed as the percentage of students who met or exceeded the standard.

98 Red markers indicate prior years when schools were **above** the statistical model on all subtests.

98 Black markers indicate prior years when schools were **below** the statistical model on all subtests.

? Indicates schools with participation rates below 80% on one or more subtests.

Red % shows that the percentage is **more than** the proportion of similar students statewide.

Regular type % shows that the percentage is the same as the proportion of similar students statewide.

Italic black % shows that the percentage is **less than** the proportion of similar students statewide.
