Please note: All numbers are expressed as the percentage of students who met or exceeded the standard. Schools are alphabetized within each band.

02 **Yellow markers** indicate prior years when schools were **above** the statistical model on all subtests.

01 **Black markers** indicate prior years when schools were **below** the statistical model on all subtests.

Yellow % shows that the percentage is **more than** the proportion of similar students statewide.

Regular type % shows that the percentage is the same as the proportion of similar students statewide.

Italic black % shows that the percentage is **less than** the proportion of similar students statewide.
