Schools are sorted according to Graduation Rate.

Schools listed in **orange type** are considered high-performing schools according to RIDE's School Performance Classifications.  
 Schools listed in regular **black type** are considered moderately performing schools according to RIDE's School Performance Classifications.  
 Schools listed in **bold italic black type** are making insufficient progress according to RIDE's School Performance Classifications.

The black line indicates the State's 2006 graduation-rate target of 75.3%.  
 NA - Survey not administered, or no graduating class  
 ? - Inadequate data submitted  
 • - Based on less than 4 years of data
