Ongoing improvement in State Assessment test scores was evident for the 3rd year in a row. This is attributed to the continued dedication of the school staff.

Many extra curricular activities are offered to students after school on a daily basis. These activities enhance the student’s analytical processes, cultural and artistic perceptions of the world.

Many of our Feinstein activities, cultural events and JA 4Kids program are covered by the local and state news media. We were again selected as a Feinstein school for the 4th consecutive year.
