Highlights from the school

See Web for school goals.

A tremendous amount of professional development in balanced literacy was offered. A Literacy Lead Team composed of building teachers was established. Our Literacy Coach provides great support to our faculty and leadership to the Literacy Team.

During the past year teachers received training in the Rigby Benchmark, a reading assessment. Teachers used this data to drive instruction. Use of data to drive instruction is a continued focus.

Feinstein School prides itself in community involvement. The Family Staff Assn. provides support and fundraising for academic and social functions. We also have several business partners.
