School Classification Indicators (21 Targets)

Mathematics
- This school’s index score
- 2003 state target

English Language Arts
- This school’s index score
- 2003 state target

Missing data indicates fewer than 45 students in that group over three years.

Index scores range from 0 to 100. They are based on the performance levels of all students in both English language arts and mathematics, for all subtests, over three years. For further detail, see the 2003 School Reports Cards at www.ride.net.

Schools that miss any of the 21 targets are classified as in need of improvement, as required by federal law.
