Program Types

Program Participants

Participation of all students in School-to-Career Education

This school

The state

programs that lead to occupations in which individuals of either gender make up 25% or less of the total # of workers

School to Career works to ensure that all students are considering their own futures, are exposed to career and work options and have the academic, technical and employability skills to be successful in higher education and the high-performing workplace of tomorrow.

SALT Survey Findings:

Student Responses (all school)

This school

The state

How often teachers on my team/at my grade level spend time . . .

How much do you agree/disagree . . .

Percent of students who report that they . . .

How often students feel that . . .

How often students have the following experiences at their school:

How often each of the following takes place . . .
