School-to-Career

School-to-Career works to ensure that all students are considering their own futures, are exposed to career and work options and have the academic, technical and employability skills to be successful in higher education and the high-performing workplace of tomorrow.

Program Participants
Includes students in Academies, Career & Technical Programs, Tech Prep, and Career Exploration

SALT Survey
Findings:
Student Responses (all school)

How often do you agree/disagree that you are being prepared for a successful future

Percent of students who report that they...

1. have a major project or demonstration as part of graduation requirements
2. belonged and regularly participated in career exploration experiences

How much do you agree/disagree that you are being prepared for a successful future

How often students feel that...
