School-to-Career

School to Career works to ensure that all students are considering their own futures, are exposed to career and work options and have the academic, technical and employability skills to be successful in higher education and the high-performing workplace of tomorrow.

Program Types

- Includes students in Academies, Career & Technical Programs, Tech Prep, and Career Exploration

Program Participants

- Participation of all students in School-to-Career Education

SALT Survey Findings: Student Responses (all school)

How often students have the following experiences at their school:

- They give speeches or presentations
- They do things in the community as part of assignments
- They study or have field trips to learn about different careers
- They work on group projects for classes
